

Doctor of Osteopathy to Treat and Adjust Physical Medicine Patients -

Reasonable Hours, Growing Independent Practice, Making a Difference in Patients' Lives

Want to avoid 'assembly line' medicine? Come make a difference in your patients' lives and still have a life of your own while treating musculoskeletal problems.

THE COMPANY:

Valley Physical Medicine is owned and operated by a DO as a private practice. We help patients alleviate pain and enjoy life while maintaining our own lives, and have been doing so since 2016.

- Established company with strong growth goals
- 27 hours of patient care scheduled each week
- Professional and team oriented company with excellent patient rapport

THE POSITION:

We are looking for a DO to join our team to diagnose and treat physical medicine patients with traditional and OMM procedures. You must be able to:

- Treat patients with comprehensive innovative modalities
- Utilize Strong OMM skills to help patients
- Obtain licensure in NC - Minimum training required: Completed internship year

THE LOCATION:

Valley Physical Medicine is located in Fayetteville NC - the home of Fort Bragg and Army Special Forces.

- Clinic is centrally located and easily accessible
- Museums, festivals, and a new baseball stadium are all in town
- Home to Fort Bragg and all the rich diversity that it brings
- Only hours from the beach to the east and the mountains to the west

WHY YOU SHOULD APPLY:

- Utilize OMM and osteopathic training to make a real difference in your patients' lives
- Reasonable hours and patient load so you can escape 'assembly line' medicine
- Growth opportunity as the company expands in coming years
- Paid time off and holidays
- Close-knit team working in an independent clinic
